Map My Mind is one of the most innovative and playable trivia puzzle games to hit the iPhone and iPod Touch to date. Its original gameplay and huge number of questions will be a true challenge for anyone.

Map My Mind offers single player modes, as well as online leader boards, which will allow the players to measure how much they know about a given subject and compare themselves to other players in their region, country or even around the world.

By harnessing the power of minds, **Map My Mind** puts the player's knowledge and brain to test, with themed maps built out of related concepts which can be explored by solving trivia puzzles, so that he may establish himself as the true king of sports, history or any other trivia that you can imagine.

Map My Mind comes with a huge number of questions and 15 maps to keep you entertained for hours. Test your metal if you dare.
