About The Scourge Project: Episodes 1 and 2

Set in the near future, The Scourge Project throws you into the boots of Echo Squad, an elite group of mercenaries hired by The Tarn Initiative to deal a decisive blow against the power-hungry Nogari Corporation. Your mission: First, to locate and rescue Dr Reisbeck, Tarn's double-agent inside Nogari; Second, to recover a piece of the meteorite fragment that Nogari has used to develop Ambrosia, the powerful new energy source with which they now control the world economy.

Stranded on Nogari Island shortly after being mysteriously attacked during your covert insertion, and surrounded on all sides by hostile forces, you'll need all of your skill to stay alive as you fight your way through the chaos that has consumed the alien-infested facilities that lie before you...

The Scourge Project is a 3rd-Person Shooter created using Unreal Engine 3 to deliver exciting single, co-op, and multiplayer game play.
